

# Chili Cook-off & Fall Festival

November 5<sup>th</sup>, 2022, from 12-3pm, Trey Park in Hartsville, TN

It's officially FALL and you know what that means...  
time to pull on those sweaters and boots, bake that pumpkin bread,  
sip on hot chocolate—and cook up some chili!!

**How it works** CPC will provide a tent, tables, chairs, tablecloths, condiments (cheese, sour cream and crackers), and all paper products. You just need to bring a crockpot or 2 of your favorite chili and provide us with a little bit of information below. It's totally free to participate and all proceeds will go directly to Community Pregnancy Center. In the end, whichever chili is the most popular will be the winner and will receive a special prize 😊 We will be emailing out more information as the time draws near, so please provide us with an email address below!

**How do I participate?** Fill out this form and mail it to CPC by October 20<sup>th</sup>! If making chili isn't your thing, pass this on to a chili-making friend and join us anyway to enjoy the fun!
